FRIDAY, JUNE 28, 1914

You will find the vacation best that is devoted to

And no doubt the trusts have adopted a watchful waiting policy.

Alaska foxes are selling as high as \$800 apiece Regular skin game, isn't it?

The mediators at Niagara Falls have beaten the hesitation record by several laps.

Our guess is that the Senate will discuss the antitrust bills in ungrudging measure,

him alone so he can fight in peace.

In other words, Villa wants the mediators to let

Premier Asquith received the militants at last, but no doubt he put cotton in his ears.

It is claimed that "jokers" have been discovered in some of the anti-trust bills, but it is no laughing

The newspapers have about quit mentioning Senator Ham Lewis' name since he dropped the Jim

Sometimes an American father-in-law of a duke can be just as gay an old bird as if he were a member of the nobility

What has become of the old-fashioned woman who used to read the obituary column before anything else in the paper?

But all great men have had their critics. Even in Andrew Jackson's day there were those who thought Old Hickory was a nut.

And now a correspondent complains that women have gone to wearing men's socks. Well, that is all right, as far as we can see.

Now comes a scientist who says a pipeful of tobacco will kill a goldfish. Moral: Keep your tobacco where the goldfish can't get it.

Investigations of marine disasters do not raise sunken ships, and so far they have not been able to prevent recurrence of the disasters.

A New York woman married a man to keep him from committing suicide, and now she is suing him for a divorce. Feminine curiosity, we suppose.

A West Virginia bachelor pastor was pelted with stale eggs by the other young men of the town. They thought he had been too gay with the chickens.

The prize humorist has qualified. He is the man who suggests that William Howard Taft and Theo-

American League. Why not speak to Walter about it?

It was Amos Pinchot who read George W. Perkins out of the Progressive party, and Brother Gifford who advanced the measure to the second reading, And now comes the colonel, declaring that if they read Perkins out "they will have to read me out, too." It is hateful to suggest it, but doesn't it look like a plot to enable Perkins and T. R. to escape?

The silly season is here. The dog days are approaching. The hot weather has gone to the heads on Capitol Hill. Here are some of the proofs: A bill to provide free ice water to patrons of baseball games, a prohibition bill for the District of Columbia, and a bill to punish the giving or taking of tips in interstate last named. What has he done, or what can he do, to explain his attitude to his constituents? Mr. President, shouldn't these men be permitted to go home?

Representatives of four citizens' associations met in joint session the other night and discussed municipal ownership. Most of the speakers were against the experiment, one of them taunting Representative Crosser, author of the bill providing for municipal ownership of Washington's street railways, with being afraid to try the scheme in his own city, but willing completely evaporated?

Writers' Club, of New York, have written open letters to the voters of Oklahoma indorsing the candidacy of Al. J. Jennings, the former train robber, who is running for governor of the new State. The letters read just like the other fiction of these authors, but, of course, they know more about Jennings and Oklahoma's requirements in the way of a governor of the way of a governor of the way of a governor of the way of a governor when the people of Oklahoma do. The really strange of depression and uncertainty for the failure. It is stimulate his sardonic humor, but come more, they know more about Jennings and the integrity of its management, humbled by the lack of immediately available capital, although it is estimated that its assets of \$40,000,000 exceed its although it is estimated that its assets of \$40,000,000 exceed its although it is estimated that its assets of \$40,000,000 exceed its along his spine when he pontificated at the christening of a his ship in honor of the great chancellor whom he so unceremoniously brushed out of the field of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation ago, If the ghost of human activity a generation of the sea uthors.

When I was in England recently I was told that Mor-ley received \$50,000 for writing that book ley received agree in the fact of the fact that the work occupied Mr. Moriey exthat the work occupied Mr. Moriey exthat the work occupied Mr. Moriey exeach other, and I have no doubt that the representatives of Carl Schurz were giad that there was competition of this kind. When I offered \$20,000 Mr. Gilder went me \$5,000 better. I made a bid considerably higher than his, and so we went on secthe total represented an unprecedented figure, at least in my experience.

"It was provided, however, in the con-

stitute one volume when published in book form, and \$15.000 for so much as would constitute the second volume, and \$10.000 for so much as would constitute the third and final volume. That made a total of \$40,000. But I was never called upon to pay more than \$39,000, because no third volume was issued. "It would be impossible to say whether

"It would be impossed our money back on our magazine got our money back on the investment. There were no apprethis publication, but it may be the fact that the publication served to maintain magazine publication of the memoirs miniscences of an American inclined to think that it was. I am cer-tain that the publication of memoirs serially is far more advantageous finan-cially than original publication in book
